MEMORANDUM FOR: Associate Deputy Director for
Intelligence

SUBJECT : Request for Permission to Deliver
Lecture at the University of
Pennsylvania

1. I request approval to deliver a lecture on "Soviet Nationality Problems" to an undergraduate course in Comparative Communist Politics at the University of Pennsylvania on April 9, 1976. The request came from the course professor, Alvin Z. Rubinstein, who has participated in the Agency's Advanced Intelligence Seminar and Senior Seminar. Based on my own substantive knowledge and extensive teaching experience within CIA, I believe I can use this opportunity to enhance the image of the Agency's professionalism at a major university. The university has offered to provide lodging and travel expenses.

2. The lecture will be adapted from one I have given regularly in OTR's USSR Country Survey course, and will contain no classified material. Principal sources are listed in the attached outline. I will be identified as an Agency employee at the time of the presentation, not before. The views presented will not be attributed to the Agency.
